

# Community Shop

**more than just food**

Because Community Shop is a social enterprise we are a little different to other high street shops.

Yes, we offer good food at great prices, but we're also about much more than just food.

At Community Shop we believe in building stronger individuals and stronger communities with the will and the skills to succeed. Everything we do is focused on that outcome and all of our members sign up to this aim.

You can become a member if you live in the area marked in red and receive support with your income.

We hold regular welcome and registration meetings in the shop so just pop along to find out why your Community Shop is 'more than just food'
